Form for BSA Tutor Statement

Name of Student _____

Student number_____

Name of Tutor _____

1. Any personal circumstances you are aware of that may have hindered the student's academic performance? Note that by personal circumstances we mean possibly documented illness, impairment, pregnancy, family circumstances, other personal circumstances which may have affected their studies (see section 4 of the BSA Guidelines)

2. Any action you are aware of the student has taken to mitigate these circumstances on their academic performance? (Examples of relevant actions would be regular meetings with you and/or SLO, seeking professional help etc.)

3. Did the student inform you of these circumstances in a timely manner (within two weeks of when circumstances began or became known to the student)?

4. Given your experience with the student, do you think that they will be able to graduate in three years?

5. Any other relevant information that you wish to share with the BSA committee in relation to this student?

Signed: _____

Dated: _____
