

Liability waiver for shipment of your degree certificate

If you are unable to collect your diploma from AUC yourself you can ask AUC to ship your documents to you per courier / express delivery.

Liability waiver

Amsterdam University College cannot be held liable for loss or damage of the documents provided, once they are shipped. It is not possible (in the Netherlands) to issue a new degree certificate under any circumstance. Only an [extract](#) from the examination register can be provided.

Validity

Your degree certificate is not valid until signed. As soon as you have received your certificate, you must sign it immediately with a blue pen in order for it to be valid.
